

Transport & Parking:

Our college is located at Amaravathi main road which is a part of proposed APCRDA (Andhra Pradesh Capital Region Development Authorize).As public Transport Facility is available from various part of Guntur City and Amaravathi region also, at every 5 minutes intervals, we are not required to average separate transport facility to our students. We have tie-up with APSRTC. An employee from APSRTC issues Season pass for the required student, after completion of admissions process at our college premises. The College has very spacious parking facility to park the vehicles of students as well as staff members separately. Parking for two-wheeler and four-wheeler are separate.
