

## ANDHRA PRADESH STATE COUNCIL OF HIGHER EDUCATION

### **Assessment methodology for Internships / On the Job Training / Apprenticeship under the revised CBCS (2020 – 21 onwards)**

As per the revised CBCS based curriculum which is implemented from the academic year 2020-21, three internships are mandatory for all students irrespective of the type of College (Govt / Private Aided / Autonomous / Constituent / Private Un-aided) and the programme of study (BA/B.Com/B.Sc/BBA/Honours, etc.). The following is the evaluation methodology for awarding marks/grades.

#### **First internship (April-May after 1<sup>st</sup> year examinations): Community Service Project**

To inculcate social responsibility and compassionate commitment among the students, the summer vacation in the intervening 1<sup>st</sup> and 2<sup>nd</sup> years of study shall be for Community Service Project (the detailed guidelines are circulated separately).

#### **Learning outcomes:**

- To facilitate an understanding of the issues that confronts the vulnerable / marginalized sections of the society.
- To initiate team processes with the student groups for societal change.
- To provide students an opportunity to familiarize themselves with urban / rural community they live in.
- To enable students to engage in the development of the community.
- To plan activities based on the focused groups.\
- To know the ways of transforming the society through systematic programme implementation.

#### **Assessment Model for the First Internship (April-May after 1<sup>st</sup> year examinations):**

There will be only internal evaluation for this internship. Each faculty member is to be assigned with 10 to 15 students depending upon availability of the faculty members. The faculty member will act as a faculty-mentor for the group and is in-charge for the learning activities of the students and also for the comprehensive and continuous assessment of the students.

The assessment is to be conducted for 100 marks. The number of credits assigned is 4. Later as per the present practice the marks are converted into grades and grade points to include finally in the SGPA and CGPA.

The weightings shall be:

|                        |      |
|------------------------|------|
| Project Log            | 20%  |
| Project Implementation | 30%  |
| Project report         | 25%, |
| Presentation           | 25%  |

Each student is required to maintain an individual logbook, where he/she is supposed to record day to day activities. The project log is assessed on an individual basis, thus allowing for individual members within groups to be assessed this way. The assessment will take into consideration the individual student's involvement in the assigned work.

While grading the student's performance, using the student's project log, the following should be taken into account -

- a. The individual student's effort and commitment.
- b. The originality and quality of the work produced by the individual student.
- c. The student's integration and co-operation with the work assigned.
- d. The completeness of the logbook.

The assessment for the ***Community Service Project implementation*** shall include the following components and based on the entries of Project Log and Project Report:

- a. Orientation to the community development
- b. Conducting a baseline assessment of development needs
- c. Number and Quality of Awareness Programmes organised on beneficiary programmes and improvement in quality of life, environment and social consciousness, motivation and leadership, personality development, etc.
- d. Number Quality and Duration of Intervention/service Programmes (Prevention or promotion programs that aim to promote behavioural change in defined community contexts to address social problems) organised.
- e. Followup Programmes suggested (Referral Services, Bringing Community Participation)
- f. Developing short and mid-term action plans in consultation with local leadership and local government officers.

The **Project Report** should contain

- a) Introduction, scope, objectives, and methodology
- b) Project specifications (area / background of the work assigned).
- c) Problems identified.
- d) Analyses of the problems
- e) Community awareness programmes conducted w.r.t the problems and their outcomes.
- f) Intervention/service programmes taken up
- g) Short-term and long term action plan for implementation
- h) Recommendations and conclusions.
- i) References

The **Project Presentation** is to be made by the student after he/she reports back to the College. The components for assessment are –

- assessing the involvement in the project
- presentation skills
- final outcome of the project as evinced by the student.
