Awareness Programme on Career Opportunities

About Training and Placement Cell

Placement Cell equips the students with all the skills they needed to be placed in their dream companies, without knocking on various doors for jobs and enhances the reputation of the Institution with its placement records. It creates awareness about career planning and career mapping and organizes various training programs to train the students in the areas of Aptitude, Reasoning, Soft Skills and Interview Skills through reputed training organizations.

The placement cell functioning in the college organises recruitment drives, seminars and invited talks on career opportunities, higher study options and entrepreneurial skills. Apart from this common platform various departments offer workshops, talks etc on career opportunities and soft skill development. also conducts special CRT programs for the aptitude development of students. In addition to this, the T&P Cell provides guidance to students desirous of pursuing higher education in India and Abroad. It regularly conducts technical lectures, career development programmes, guest lectures on personality development, resume writing, group discussions and interview techniques and provide other inputs to make our students highly employable. The performance of students has been improved and we all must work for more commendable placement records.

About Institute

The Management of the college is a composite of dedicated, devoted and humanistic Congregation of the Sisters of St. Anne. They are the channels of love and compassion to the underprivileged people. Their main ambition is to educate the rural girl children and build them as strong foundational stones of the society.

St. Ann's College for Women was established in 1997 to uplift the rural women, impart intellect and spiritual integrity into the young lives and serve them for overall development. It is affiliated to Acharya Nagarjuna University and ever since its inception it has emerged as a universal cosmopolitan and prestigious college in Guntur.

Initially the college had only B. Sc (MBC), B. Sc (MPCs) and B. Com (General) Programmes from 1997. The Programmes, BCA and B.Sc (MSCs) were introduced in the year 1998. Keeping in pace with the emerging needs of the society, additional Programme of B. Com (Computers) was added in 1999. Seeing the aptitude for research in Biology, the Programme were again streamlined in 2003 with the introduction of B.Sc (BBC) Programme.

To bridge the gap of previous value based education and the present day job oriented education, a Post Graduate Programme of MCA was installed into College Academics in 2002-2003. During the Academic year 2007-2008 to be in par with the professionalism, MBA course was introduced and the college grew to the heights of excellence in educational ladder and thus reached the status of Post Graduate College.

Our Recruiters

Principal's Message

Dr. Sr. Fatima Rani. P.
B.Ed., M.A.(Litt), M.Phil., Ph. D.,

First and foremost I would like to extend my heartfelt thanks to Almighty God for all the richest blessings. He has showered upon our St. Ann's College Management, Staff and Students

Women empowerment is intertwined with respect for human rights. If a woman is educated, the entire family is educated. Our Institution strives for the education of rural young women, empowering and enriching them with spiritual formation, wisdom and knowledge to provide value based education with innovative and unique skills to transform them into socially useful citizens.

The world needs people with the values, competencies, skills, knowledge and mindset necessary to contribute towards the well being of the Nation. Such qualities can be nurtured in the people only through Education. Education for the sustainable development should start as a race with such can competitive spirit so as to ensure that Education triumph over environmental degradation.

I consider it to be an honor and opportunity to present to you a group of young, dynamic individuals who have been groomed to face challenges that lie ahead for them in the industry and corporate world as a whole. The modern educational world is resounding with waves of innovation all around the world. It is mandatory that the young minds of our college be nurtured and encouraged to be placed at the highest pinnacle of success.

We are happy to note that the 2022-2023 academic session witnessed a successful placement season. It is very satisfying to see an increasing number of students, from across disciplines, expressing interest in campus placements. We are proud of the huge talent pool of young women with a variety of skill sets, aptitudes and domain expertise, who are eager to venture into the professional work-space and carve out a successful career.
