PROFILE OF THE INSTITUTION

The Management of the college is a composite of dedicated, devoted and humanistic Congregation of the Sisters of St. Ann. They are the channels of love and compassion to the underprivileged people. Their main ambition is to educate the rural girl children and build them as strong foundational stones of the society.

St. Ann's college for women was established in 1997 to uplift the rural women, impart intellect and spiritual integrity into the young lives and serve them for overall development. It is affiliated to Acharya Nagarjuna University and ever since its inception it has emerged as a universal cosmopolitan and prestigious college in Guntur.

Initially the college had only B. Sc (M.B.C), B. Sc (M.P.Cs) and B. Com (General) courses from 1997. In 1998, B.C.A course & B. Sc (M.S.Cs) were introduced. Keeping in pace with the emerging needs of the society, additional course of B. Com (Res) was added in 1999. Seeing the aptitude for research in Biology, the courses were again streamlined in 2003 with the introduction of Biotechnology (B.B.C).

To bridge the gap of previous value-based education and the present-day job-oriented education, a Post Graduate course of M.C.A was installed into College Academics in 2002-2003. During the Academic year 2007- 2008 to be in par with the professionalism, M.B.A course was introduced and the college grew to the heights of excellence in educational ladder and thus reached the status of Post Graduate College.

In the present day of Commercialization of Education, though the college is encircled with many corporate colleges, still it has strength of 1128 students and 42 experienced, competent Teaching Staff and 26 Non- Teaching Staff, both at UG and PG levels.

As a missionary college the institution adheres to inculcate and enrich moral & ethical values which makes each student equipped with academic excellence, skill enhancement, value-based education for the holistic development to promote them as corporate friendly and socially responsible citizens.
