## Pledge Against Drug Abuse

In alignment with the Nasha Mukta Bharat Abhiyan On **12th August 2024** at 9:00 AM, our college successfully organized a pledge against drug abuse as part of the Nasha Mukta Bharat Abhiyan. This event aimed to unite students and faculty in a collective commitment to promote a drug-free environment. The initiative is part of a larger national campaign encouraging youth to take a stand against substance abuse. Participants pledged to not only support their own well-being but also to advocate for a healthier community. The event highlighted the importance of personal responsibility in combating drug abuse, emphasizing that change should start with ourselves. We are proud to have contributed to this vital movement and look forward to continuing our efforts in fostering awareness and support for a drug-free society. Thank you to everyone who participated and made this event a success!
