Strategies adopted to overcome:

- Periodical counseling by the Mentors, Committee Conveners and the Coordinator helped in making the programmes successful.
- The College Student Council was of immense help in gathering funds from the students.
- Staff was considerate in rendering their financial support.
- The **college Management contributes finances** to meet the **requirement of selected sectors in need.**
- Nevertheless, **conscious efforts** are taken by the **committee to reach out to the different organizations every year.**
- During Pandemic Covid-19, only the Management extended the helping hands by distributing the provisions, Masks and Sanitizers.
- In the following two years, as it was not desirable for the students to visit in big numbers to any of the organization, only the Student and Staff representatives visited along with the Management to donate the purchased provisions and contributed amount to the organizations who are in need.
